NO RHODE ISLAND TURKEY. Vone Will Not Continue Cus tom of Sending Them.

President Grant was in office, the White House will be without its Rhode Island surkey this Thanksgiving. Mrs. Vose, widow of Horace Vose, the turkey king of Westerly, R. I., does not propose to continue the practice of supplying the Enoch Arden, George K. Weirck, sixty White House with a forty-pound Thanks- years old, who left Lower Augusta siving turkey fattened on the grasshoppers of the North Stonington meadows.
Mr. Vose began the practice of turkeyriving to the President in 1885 and never
nissed a year until his death in 1913.

Wetrek said that he had met with
poor success in his vocation of farming. Rumor of a corner in Thanksgiving and agreed with his wife that he should grakeys has only led to the fact that a go West and grow up with the country. Western packing house shipped four carbants of turkeys into New York City ast week and put them in a cold storage plant. In all events, it seems that turkeys will be comparatively cheap and also ceased after a time. By way of varying the interest Mr. By way of varying the interest Mr

Carroll D. Woolf Says He Shot Em ploye After He Had Been Struck and Stoned.

Alexandris. Va., Nov. 22.—Herbert Helter, colored, twenty-two years old, employed on the dairy farm of Carroll D. Woolf, across, Hunting Creek, south of Alexandria, in Fairfax County, is in a serious condition at the Alexandria Hospital with a builet wound in his left side just below the heart, as a result of

Woolf in the face. He was ordered from the place. He subsequently left and later, when Mr. Woolf drove from the farm in his wagon, Helter began stoning

after being struck on the shoulder with one of the stones. Mr. Woolf subsequentone of the stones. Mr. Woolf subsequent-ly related the facts in the case to Jus-tice Kirby and the justice took his per-sonal bond for his appearance when he may be wanted. The wounded man was brought to the Alexandria Hospital by Woolf, father of Carroll Woolf.

R. D. Woolf, father of Carroll Woolf.

Five school trustees, two police commissioners and a health officer will be elected by city council Tuesday night.

It is understood that Dr. E. A. Gorman, present health officer, will be opposed by Dr. T. M. Jones.

George H. Schwarmann, police commissioner from the Third ward will be up for re-election and there is a vacancy in the Fourth ward caused by the resignation of Nicholas J. Lawier, elected to common council from that ward.

Terms of the following school trustees have expired: L. H. Thompson, First ward; P. M. Bradshaw, Second ward; Carroll Pierce, Third ward; Thomas Carward; P. M. Bradnaw, Second ward; Carroll Pierce, Third ward; Thomas Car-ter, Fourth ward. There is another trustee to be elected from the Second ward to fill the vacancy caused by the resignation of C. W. Wattles, elected to common council from that ward.

A Southern Railway light engine shortly before 1 o'clock this morning struck a buggy driven by M. J. Reedy at Roberts' Crossing, Fairfax county, killing the horse and demolishing the vehicle. Reedy was thrown out and escaped with a cut across the face and a few bruises. He was brought to the Alexandria Hospital.

nnual meeting of the trustees o the Alexandria Hospital will be held at 8 o'clock Friday night in the rooms of the Chamber of Commerce.

Appeals were made today in every church in the city for aid for the Bel-gian war sufferers. Announcement was made that funds, fed and clothing will be accepted by the local committee.

BURTON HOLMES ON ENGLAND. "Travelogues" at the Columbi Extremely Interesting.

The new series of Burton Holmes' "travelogues" on European subjects began last evening at the Columbia Theasan last evening at the Columbia Thea-ter with a presentation of the most no-table features of interest of rural and provincial England, from "Land's End to the Lakea." The lecture will be re-peated this afternoon at 4.20

peated this afternoon at 4:20. Mr. Holmes has selected the subjects for his camera with his usual nice judgment, so as to convey the general aspect of English life and scenery, combining of English life and scenery, combining the elements of rural beauty, historic and architectural interest and modern social and military activities. Begin-ning with the coasts of Cornwall and Devon, and the popular beach resorts of the Channel side, a series of motion pic-tures of unusual fascination expresses the keen British relish for the sea. Stonebears and the Salishury and Wells Stonehenge and the Salisbury and Wells advertised for her husband, but got no answers, and then believed him to have exquisite colored views. Onford, Cambded. She is now thought to be living in bridge and Stratford-on-Aven are all co-

died. She is now thought to be avoing the West.

The returned pilgrim acted as though broken-hearted when he learned that his wife had remarried, but he deciared that his desire was to make her old days happy.
